

NUSIC

Nusic

Imagine taking your favorite songs and making them into your own original mash-ups you can share with your friends. Imagine if you could do this as part of an expandable game on your phone. Imagine no longer... Nusic harnesses machine learning to give everyone DJ like powers.

Through an automated music mixing system, an "AI DJ", a revolutionary musical fingerprinting algorithm and a Blockchain/distributed ledger payment solution, Nusic is empowering everyone to get creative with music.
